

5-1. Regional Projects

Whatcom Council of Governments regional projects list, 2019 – 2040

For the development of the regional projects list, WCOG consulted with jurisdictions to identify projects that 1) advance one or more of the region’s transportation goals, 2) provide regional benefit that is identified in the [Whatcom Regionally Significant System](#) and 3) are fiscally constrained. Fiscal constraint refers to project or program costs within reasonably-expected revenues over the planning period.

The primary sources of the projects contained in this list are comprehensive plans, transportation improvement programs, state facility programming, transit planning, and other qualifying regional programs.

The following projects table contains the following: agency responsible for the project, current project label (current title), estimated location, brief description, year of implementation cost (in thousands of dollars), and the year of completion. The Regional Projects can be viewed online [Whatcommobility.org](#).

Agency	Label	Location	Description	Cost Estimate	Year
Bellingham	Pedestrian Master Plan	Citywide	Various Unknown Tier 1, 2, 3 Sidewalk Links	\$3,787	2019-2021
Bellingham	Granary Avenue and Laurel Avenue	Roeder Avenue to Cornwall Ave	Construction Granary Ave arterial from Roeder Ave to Laurel St. Construct Laurel Ave arterial from Granary Ave to Cornwall Ave. Pproject includes signal and channelization improvements at the intersection of Granary Avenue and Roeder Avenue, and intersection improvements at Cornwall Avenue.	\$10,346	2019
Bellingham	Cordata Safe Routes to School Program	Aldrich Road, Mahogany Avenue to Cordata Elementary School	Fill the Tier 1 sidewalk and Tier 1 bike lane gaps on the east side of Aldrich Rd, install flashing 20 mph school zone signs, and improve street lighting	\$1,951	2019
Bellingham	West Horton Road, Phase 1	Pacific Rim Lane to Aldrich Road	Construct new minor arterial roadway. Including bike lanes, separated boardwalk path, and illumination.	\$5,412	2019
Bellingham	Cordata Parkway/Horton Road Intersection	Cordata Parkway/Horton Road	Convert Stop Control to Roundabout	\$2,482	2019
Bellingham	Bicycle Master Plan	Citywide	Various Unknown Tier 1, 2, 3 Bikeway Links	\$3,246	2019-2022
Bellingham	Northwest Avenue/West Bakerview Road Intersection Safety Improvements	Northwest Avenue/West Bakerview Road	Feasibility study for safety improvements; Safety improvements for vehicle collision reduction could include access management and, if possible, conversion of signal to roundabout	\$593	2020
Bellingham	Orchard Drive Extension	Birchwood Avenue/Squalicum Way to James Street	Orchard Drive Extension is a new multi-modal arterial and multi-use trail connection extending from east Birchwood Ave/Squalicum Parkway, under I-5 along the railroad tunnel, to west of James Street	\$12,114	2020
Bellingham	West Bakerview Road/I-5 Interchange Improvements	Pacific Highway to West Maplewood Ave	Yet to be determined. Possible new northbound on-ramp on east side; possible bridge widening	\$11,341	2020
Bellingham	North Samish Way, Phase 2	Ellis Street to Bill MacDoland Parkway	Asphalt Resurfacing & ADA upgrades (5-foot sidewalks)	\$8,688	2020
Bellingham	James Street/East Orchard Drive Intersection	James Street/East Orchard Drive	Construct a 4-way traffic signal	\$496	2020
Bellingham	James Street/Telegraph Road Intersection	James Street/Telegraph Road	Construct a 4-way traffic signal	\$496	2020
Bellingham	Citywide	Citywide	Arterial Street Resurfacing, Repair, Maintenance	\$15,456	2019-2022
Bellingham	James Street Multimodal Improvements	East Orchard Drive to East Bakerview Road	Widen to Urban Arterial - Sidewalks, bike lane, 2 travel lanes, left-turn lanes,	\$8,628	2021
Bellingham	Telegraph Road Multimodal Improvements	Deemer Road to James Street	Multimodal Improvements	\$863	2021
Bellingham	Pedestrian Master Plan	Citywide	Various Unknown Tier 1, 2, 3 Sidewalk Links	\$8,780	2021
Bellingham	James Street/East Bakerview Road Intersection Safety Improvements	James Street/East Bakerview Road	Convert Signal to Roundabout	\$4,479	2022
Bellingham	Central Avenue/Roeder Avenue- Traffic Signal	Central Avenue/Roeder Avenue	New traffic signal and new "Quiet Zone" BNSF Railroad Crossing	\$1,766	2022
Bellingham	West Horton Road Multimodal Corridor Extension, Phase 2	Aldrich Road to Northwest Drive	New Urban Arterial - Sidewalks, bike lanes, 2 travel lanes, left-turn lanes. Roundabout at Northwest/Horton, signal at Aldrich/Horton	\$15,217	2022-2027
Bellingham	Connelly Avenue/I-5 southbound on/off Intersection	Connelly Ave/I-5	Construct a 4-way traffic signal	\$496	2022-2027
Bellingham	Northwest Drive/Aldrich Road Intersection	Northwest Drive/Aldrich Road	Install right-in; right-out only turn restrictions	\$62	2022-2027
Bellingham	Northwest Avenue/West Maplewood Avenue Intersection	Northwest Avenue/West Maplewood Avenue	Construct a 4-way traffic signal	\$496	2022-2027
Bellingham	Bicycle Master Plan	Citywide	Various Unknown Tier 1, 2, 3 Bikeway Links	\$7,526	2022-2027
Bellingham	Citywide	Citywide	Arterial Street Resurfacing, Repair, Maintenance	\$31,357	2022-2027

Agency	Label	Location	Description	Cost Estimate	Year
Bellingham	Meridian Street/Birchwood Avenue and Meridian Street/Squalicum Way Intersection	Meridian Street/Birchwood Avenue, Meridian Street/Squalicum Way	Reconstruct Traffic Signals to Roundabouts	\$9,929	2022-2027
Bellingham	North James Street Multimodal Arterial Connection	North James Street	Multimodal Arterial Connection	\$7,062	2023
Bellingham	Boulevard Park to Cornwall Park Overwater Pedestrian Walkway	Boulevard Park to Waterfront	Construction of Overwater Pedestrian Walkway	\$11,182	2023
Bellingham	C St / W Holly - Traffic Signal	C Street/Holly	New traffic signal	\$506	2023
Bellingham	C St / Roeder Ave - Traffic Signal	C Street/Roeder	New traffic signal	\$500	2023
Bellingham	South Cornwall Avenue	Wharf Street to Cornwall Beach	New collector arterial to connect Cornwall to the south end of the Waterfront District	\$7,289	2028
Bellingham	James Street, Phase 2	East Bakerview Road to East Kellogg Road	Widen to Urban Arterial - Sidewalks, bike lane, 2 travel lanes, left-turn lanes	\$7,710-\$9,905	2028-2040
Bellingham	West Maplewood Avenue	Alderwood Avenue to Bakerview Rd	Reconstruct to Urban Arterial standard - Sidewalks, bike lanes, 2 travel lanes.	\$16,267 - \$20,896	2028-2040
Bellingham	Van Wyck Road	James Street to SR 539	New Urban Arterial - Sidewalks, bike lanes, 2 travel lanes, left-turn lanes.	\$12,200-\$15,672	2028-2040
Bellingham	East Bakerview Road	Deemer Road to Hannegan Road	Widen to Urban Arterial - Sidewalks, bike lanes, 2 travel lanes, center left-turn lane	\$14,911-\$19,154	2028-2040
Bellingham	East Horton Road	SR 539 to Deemer Road	Widen to Urban Arterial - Sidewalks, bike lane, 2 travel lanes, left-turn lanes	\$5,015-\$6,443	2028-2040
Bellingham	Pedestrian Master Plan	Citywide	Various Tier 1, 2, 3 Sidewalk Links	\$18,513	2028-2040
Bellingham	Bicycle Master Plan	Citywide	Various Tier 1, 2, 3 Bikeway Links	\$15,427	2028-2040
Bellingham	Citywide	Citywide	Arterial Street Resurfacing, Repair, Maintenance	\$90,250	2028-2040
Bellingham	Cornwall Avenue Bridge Reconstruction	Over BNSF Railroad	Reconstruct existing bridge to three travel lanes, 5' bike lanes, 5' sidewalks	\$33,469	2030
Blaine	Pavement Preservation	City-wide	Annual resurfacing program of city streets	\$150	2019-2024
Blaine	Hughes Avenue Improvements	Peace Portal Drive to Odell Road	Widen Hughes Ave and upgrade to truck standards from approx 200 feet west of Peace Portal Dr to Sweet Road. Other improvements include bus stop, sidewalks, larger turn radii, and storm sewer upgrades.	\$2,580	2019
Blaine	H Street School Safety Improvements	6th Street to SR 543	School safety improvements	\$150	2019
Blaine	Peace Portal Dr Downtown Sidewalk Reconstruction	G Street to Clark Street	Sidewalk Reconstruction	\$609	2019
Blaine	Peace Portal Drive Community Trail - Phase 2	Bayview Avenue to Hughes Avenue	Bay to Bay Trail connection	\$210	2019
Blaine	Boblett Street Traffic Channelization and Corridor Improvements	Boblett Street	Improvements will include: Channelization, ROW acquisition, non-motorized, sidewalk replacement, storm drainage, roundabout construction.	\$2,162	2020
Blaine	Peace Portal Drive/Bell Road Channelization	Peace Portal Drive/Bell Road	Street improvements to allow some relief of congestion due to train traffic blocking the intersection for significant periods of time.	\$150	2022
Blaine	Marine Drive Phase 3	Lighthouse Point Water Reclamation Facility to Public Pier	Reconstruct road	\$3,106	2022
Blaine	Boblett Street Signalization and SR 543 improvements	Boblett Street to H Street	Improvements will include: Channelization, ROW acquisition, non-motorized, sidewalk replacement, storm drainage, roundabout construction.	\$3,064	2022

Agency	Label	Location	Description	Cost Estimate	Year
Blaine	Peace Portal Drive Sidewalk Gap Elimination	Clark Street to Boblett Street	Sidewalk Gap Elimination	\$265	2022
Blaine	Peace Portal Drive/Bell Road Signalization	Peace Portal Drive/Bell Road	Improve Signalization	\$828	2022
Blaine	Semiahmoo Spit Pedestrian Path Safety Improvements - Phase 2	County Park to Marina	Pedestrian Path Safety Improvements	\$2,784	2022
Blaine	Mitchell Avenue/H Street Signalization	Mitchell Avenue/H Street	Improve Signalization	\$621	2022
Blaine	I-5 Exit 274 Grade Separation	I-5 Exit 274/Bell Road/SR548	Preliminary Design, Right of Way acquisition and Construction of railroad grade separation at this intersection	\$24,180	2022
Blaine	H Street/Peace Portal Drive Signal	H Street/Peace Portal Drive	Add signal to intersection	\$540	2028-2040
Blaine	Mitchell Avenue/Peace Portal Drive Signal	Mitchell Avenue/Peace Portal Drive	Add signal to intersection	\$540	2028-2040
Blaine	Hughes Road/Peace Portal Drive Signal	Hughes Road/Peace Portal Drive	Add signal to intersection	\$700	2028-2040
Blaine	H Street/Harrison Avenue Signal	H Street/Harrison Avenue	Add signal to intersection	\$700	2028-2040
Canada Border Services Agency	Redevelopment of Pacific Highway Port of Entry (POE).	Served by WA State Rte 543	Rebuild POE	TBD	2024
Everson	Preservation Program	Designated Arterials	Preserve designated arterials through timely overlays and reconstruction	\$175	2019-2022
Everson	SR 544 South Everson Sidewalk Improvements	SR 544 South Everson	Fill in missing segments of sidewalk along SR 544 from approximately Robinson Street to Everson Road	\$1,851	2020
Everson	BNRR R/W - Trail/Utility Corridor	Chestnut Street/Mission Road Intersection south to South Everson	Land acquisition of the abandoned BNRR/RW for purpose of creating a trail extension for the Bay to Baker trail	\$315	2020
Everson	Everson Road Improvements	SR544 to Robinson Street	Overlay Everson Rd. and add sidewalks on the west side from SR 544 to Robinson Street	\$907	2023
Everson	Preservation Program	Designated Arterials	Preserve designated arterials through timely overlays and reconstruction	\$353	2023-2028
Everson	Preservation Program	Designated Arterials	Preserve designated arterials through timely overlays and reconstruction	\$858	2029-2040
Ferndale	Pavement Rehabilitation Program	City-wide	City-wide program	\$3,905	2019-2027
Ferndale	Thornton Road / Malloy Avenue Intersection	Thornton Road / Malloy Avenue	Construct single lane roundabout	\$4,979	2019
Ferndale	Church Road / Thornton Road Intersection	Church Road / Thornton Road	Dig out and repave to repair failing driving surface and install ADA ramps on all corners of intersection	\$365	2019
Ferndale	Main Street / Washington Street / Legoe Avenue Intersection	Main Street / Washington Street / Legoe Avenue	Realignment and channelization. Construct an exclusive southbound left-turn lane	\$444	2020
Ferndale	Thornton Street Overpass	Malloy Avenue to Portal Way	Construct Thornton Rd Overpass from Malloy Ave to Portal Way.	\$33,345	2021
Ferndale	Thornton Road	Vista Drive to Malloy Ave	Reconstruct and widen to meet City standards, including utilities	\$2,049-\$2,577	2023
Ferndale	Thornton Road	Church Road to Maureen Drive	North side of road, 8-ft wide road widening and curb, gutter, sidewalk and storm. Existing road and south side curb, gutter and sidewalk remains.	\$2,603-\$3,274	2024
Ferndale	Main Street / I-5 Overpass Reconfiguration	Main Street / I-5 Overpass Interchange	Widen to five lanes and include multimodal improvements.	\$25,484-\$32,737	2028-2040
Ferndale	Portal Way / I-5 Northbound Ramps Intersection	Portal Way / I-5 Northbound Ramps	Construct single lane roundabout	\$801	2028
Ferndale	Washington Street / Vista Drive Intersection	Washington Street / Vista Drive	One larger roundabout or two compact roundabouts at Washington Street and Vista Drive	\$4,412	2028-2040

Agency	Label	Location	Description	Cost Estimate	Year
Ferndale	Main Street / Hovander Drive Intersection	Main Street / Hovander Drive	Install partial signal to provide phase for westbound left-turns	\$610	2028-2040
Ferndale	Main Street / Labounty Drive Intersection	Main Street / Labounty Drive	Construct 2 lane roundabout, including northbound and eastbound slip lanes and two southbound approach lanes	\$2,149	2028-2040
Ferndale	Smith Road / Labounty Drive Intersection	Smith Road / Labounty Drive	Construct single lane roundabout	\$801	2028-2040
Ferndale	Slater Road / Rural Avenue Intersection	Slater Road / Rural Avenue	Maintain a signilized intersection. Extend westbound left-turn and northbound right-turn lanes	\$343	2028-2040
Ferndale	Labounty Drive / Nordic Way Intersection	Labounty Drive / Nordic Way	Signalize intersection	\$839	2028-2040
Ferndale	Barrett Road / Southeast Connector Road Intersection	Barrett Road / Southeast Connector Road	Construct 1 lane roundabout	\$877	2028-2040
Ferndale	Slater Road / Pacific Highway Intersection	Slater Road / Pacific Highway	Construct 1 lane roundabout	\$1,068	2028-2040
Ferndale	Main Street / Southeast Connector Road Intersection	Main Street / Southeast Connector Road	Construct 1 to 2 lane roundabout with eastbound and northbound right turn lanes	\$1,653	2028-2040
Ferndale	LaBounty Drive	Seahawk Drive to Sunset Avenue	Reconstruct and widen to meet City standards, including utilities	\$8,926	2028-2040
Ferndale	Main Street	Barrett Road to east City Limits	Reconstruct and widen to meet City standards, including utilities	\$10,185	2028-2040
Ferndale	Barrett Road	Smith Road to north City Limits	Reconstruct and widen to meet City standards, including utilities and sidewalk on one side of the street	\$16,543	2028-2040
Ferndale	LaBounty Drive	Main Street to Smith Road	Reconstruct and widen to meet City standards, including utilities and sidewalk on one side of the street	\$16,937	2028-2040
Ferndale	Pavement Rehabilitation Program	City-wide	City-wide program	\$7,220	2028-2040
Ferndale	Grandview Interchange Reconfiguration	Grandview / I-5 Overpass Interchange	Widen Grandview Rd interchange and ramps that includes improvements to northbound ramps, freight passage, the railroad intersection, and to add multi-modal components.	\$50,000	2029-2040
Ferndale	Portal Way Improvements	I-5 Northbound to Trigg Road	Reconstruct and widen to meet City standards, including utilities	\$19,894-\$25,023	2029-2040
Ferndale	Portal Way / North Enterprise Street / Destiny Street Intersection	Portal Way / North Enterprise Street / Destiny Street	Remove south leg of Portal Way and improve alignment into Destiny Street / North Enterprise Street intersection	\$1,897-\$2,386	2029-2040
Ferndale	Smith Road / Barrett Road Intersection	Smith Road / Barrett Road	Construct 2 lane roundabout	\$1,467-\$1,846	2029-2040
Ferndale	Main Street / Barrett Road Intersection	Main Street / Barrett Road	Signalize intersection or construct roundabout	\$914-\$1,149	2029-2040
Ferndale	Main Street Signal Improvements - Long Term	Labounty Drive to Douglas Road	Implement an Adaptive Signal Control system	\$554-\$697	2029-2040
Lynden	Glenning Street Sidewalk/Trail	BC Avenue to 8th Street	Sidewalk and Trail Construction	\$70	2018
Lynden	Non-street trail and multi-use transporation and recreational network	Various locations through the City	Construction of new non-motorized vehicle facilities and multi-use trails throughout the City	\$1,000 - \$1,500	2019-2040
Lynden	Pepin Creek Sub-Area Transportation Network	Benson west to the northern extension of 19th. And Main Street north to Badger Road (SR-546)	New construction and connection of street network to provide safe and functional movement of vehicles, pedestrian and multi-modal transportation to serve required State mandated UGA development.	\$15,000 - \$25,000	2019-2040
Lynden	Jim Kaemingk Sr. Trail Fishtrap Creek Core	Depot Road to N. 8th, 17th to Front, Front to Kok Road, Kok Road to Guide Meridian (SR-539)	Construction of new tranportation and multi-use trail along Fishtrap Creek. Reconstruction of system for full utilization as needed.	\$1,000 - \$ 5,000	2019-2040
Lynden	Main Street Corridor Completion	Berthusen Road east 0.5 miles to existing roadway	Reconstruct corridor to City standard arterial with sidewalks and bicycle facilities. Construct roundabout at W Main and Berthusen Rd.	\$2,108	2019

Agency	Label	Location	Description	Cost Estimate	Year
Lynden	Bicycle Facilities and Pathways Program	Bicycle Facilities and Pathways Program	Striping of City-identified bicycle routes within City limits. Some facilities may be listed above in reconstruction projects.	\$217	2019-2027
Lynden	Sidewalk / Crossing Improvement Program	Sidewalk / Crossing Improvement Program	Annual program to construct missing sidewalk links, repair existing sidewalks, improve crosswalk markings, and install ADA- accessible curb ramps at intersections.	\$597	2019-2027
Lynden	Street Overlay and Maintenance	Street Overlay and Maintenance	Annual program to maintain the City's transportation roadway infrastructure.	\$1,085	2019-2027
Lynden	7th Street from Judson Street to Grover Street	7th Street from Judson Street to Grover Street	Reconstruct corridor to City standards (inc. 36' width), including sidewalks. Consider intersection improvements at Grover Street, including compact roundabouts, in coordination with this project	\$1,061	2020
Lynden	Northwood Road	South City limits to Badger	Preliminary Engineering; Upgrade to Full City Standard	\$565	2020
Lynden	SR 546 Intersection w/ City Arterials	Intersections	Upgrade Lighting & Channelization	\$905	2020
Lynden	Line Road Box Culvert Bridge Reconstruction	Line Road Box Culvert Bridge Reconstruction	Reconstruct box culvert on Line Road near the KOA campground.	\$2,578	2020
Lynden	Bradley Road	Vinup Road to Line Road	Reconstruct corridor to City standards (inc. 36' width), including sidewalks and bicycle facilities.	\$3,901	2021
Lynden	Benson Road	Benson Lane to Badger Road	Reconstruct to City standards (inc. 36' width), including sidewalks and bicycle facilities.	\$7,938	2021
Lynden	Double Ditch Road	Main Street to Village Drive	Reconstruct corridor at current street width, adding sidewalks and bicycle facilities, and other safety measures	\$600	2022-2025
Lynden	Double Ditch Road	Main Street to north City limits	Reconstruct/Upgrade corridor to City standard (inc. 36' width), including sidewalks and bicycle facilities, and other safety measures.	\$9,500	2022-2030
Lynden	Berthusen Road	Birch Bay Lynden Road to Main Street	Design engineering to full City standard	\$353	2022
Lynden	3rd St Corridor	Front Street to Grover Street	Reconstruct corridor to HBD standards (inc. 36' width), including sidewalks. Complete intersection and signal timing improvements as needed.	\$687	2028-2040
Lynden	1st Street and Grover Street Intersection	1st Street and Grover Street	Add left-turn signal heads and adjust signal timing to provide for protected left-turns on Grover Street.	\$64	2028-2040
Lynden	17th Street and Front Street Intersection	17th Street and Front Street	Add left-turn signal heads and adjust signal timing to provide for protected left-turns on Front Street.	\$64	2028-2040
Lynden	Birch Bay - Lynden Road and Berthusen Road Intersection	Birch Bay - Lynden Road and Berthusen Road	Evaluate intersection operations and install roundabout to improve future level of service when needed.	\$1,322	2028-2040
Lynden	Bicycle Facilities and Pathways Program	Bicycle Facilities and Pathways Program	Striping of City-identified bicycle routes within City limits. Some facilities may be listed above in reconstruction projects.	\$401	2028-2040
Lynden	Sidewalk / Crossing Improvement Program	Sidewalk / Crossing Improvement Program	Annual program to construct missing sidewalk links, repair existing sidewalks, improve crosswalk markings, and install ADA- accessible curb ramps at intersections.	\$1,103	2028-2040
Lynden	Street Overlay and Maintenance	Street Overlay and Maintenance	Annual program to maintain the City's transportation roadway infrastructure.	\$2,006	2028-2040
Lynden	Kamm Road	Line Road to Northwood	Reconstruct/Upgrade corridor to City standard (inc. 36' width), including sidewalks and bicycle facilities, and other safety measures.	\$1,490	2029-2040

Agency	Label	Location	Description	Cost Estimate	Year
Lynden	17th Street and Grover Street Intersection	17th Street and Grover Street	Evaluate intersection operations and install traffic signal to improve future level of service when needed.	\$665-\$836	2029-2040
Lynden	W Front Street and Tromp from Duffner Drive to Birch Bay - Lynden Road	W Front Street and Tromp from Duffner Drive to Birch Bay - Lynden Road	Reconstruct corridor to City standard (inc. 36' width), including sidewalks and bicycle facilities.	\$5,828-\$7,331	2029-2040
Lynden	SR 546 and Benson Road	SR 546 and Benson Road	Upgrade intersection to a roundabout consistent with designs at adjacent intersections on SR 546 corridor.	\$1,399	2029-2040
Lynden	SR 546 and Vinup Road	SR 546 and Vinup Road	Upgrade intersection to a roundabout consistent with designs at adjacent intersections on SR 546 corridor.	\$1,373	2029-2040
Lynden	SR 546 and Line Road	SR 546 and Line Road	Upgrade intersection to a roundabout consistent with designs at adjacent intersections on SR 546 corridor.	\$1,399	2029-2040
Lynden	SR 539 (Guide Meridian) from Birch Bay Lynden to SR 546 (Badger Rd)	SR 539 (Guide Meridian) from Birch Bay Lynden to SR 546 (Badger Rd)	Add roadway capacity as part of WSDOT project. Widen roadway to 4 travel lanes between BBL and Main Street. Lane and shoulder widening north of Main Street with safety improvements. Possible roundabouts at Main and Badger Intersections.	\$27,478	2029-2040
Lynden	Line Road - Badger Road to Bradley Road	Badger Road to Aaron, and Burlwood to Bradley Rd	Reconstruct corridor to City standard (inc. 36' width), including sidewalks and bicycle facilities, and other safety measures to address building of a new school along Line Road.	\$2,963	2029-2040
Lynden	7th Street and Front Street Intersection	7th Street and Front Street	New connection on 7th Street will add additional volume to intersection (see Project R-1). Evaluate intersection operations and install improvements (signal/compact roundabout) to improve future level of service when needed.	\$415-\$522	2029-2040
Lynden	Benson Road and Main Street Intersection	Benson Road and Main Street	Evaluate intersection operations and install traffic signal to improve future level of service when needed.	\$665-\$836	2029-2040
Nooksack	Preservation Program	Multiple Arterials	Preservation Program	\$111	2019-2022
Nooksack	Nooksack Avenue (SR 9) Sidewalk	Hayes Street to Tom Road	Install sidewalk on Noosack Avenue (SR 9) on west side of street	\$177	2022
Nooksack	South Pass Road Sidewalk	South Pass Road east of SR 9	Sidewalk along north side of road, approximately 450 feet	\$302	2023
Nooksack	Preservation Program	Multiple Arterials	Preservation Program	\$166	2023-2028
Nooksack	Preservation Program	Multiple Arterials	Preservation Program	\$404	2029-2040
Port of Bellingham	Harris Ave Crossing	Harris Ave at rail crossing	Construct pedestrian/bike crossings and channelization for both sides of Harris Ave. Install center medians. Upgrade/replace the railroad signal system.	\$463	2019
Port of Bellingham	Schultz Drive Upgrade and Expansion	Roeder Ave and Squalicum Way Truck Route	Upgrade to city standards and include multimodal facilities	\$1,500	2019 - 2027
Port of Bellingham	Bellingham Cruise Terminal Staging Road RR Crossing Safety Improvements	Bellingham Regional Transportation Hub	Crossing channelization of pedestrian and vehicle pathways, upgrade railroad signal system.	\$1,400	2019 - 2027
Port of Bellingham	Hilton Ave - Marine Trades Access Improvements	Hilton Ave	Upgrade to facilities to city standards.	\$500	2019 - 2027
Port of Bellingham	Blaine Marine Drive - Marine Trades and Public Access	Blaine Marine Dr	Reconstruct road infrastructure to improve multimodal access.	\$3,100	2019 - 2027
Sumas	Various Sidewalks	Sumas City Limits	Repair various arterial sidewalks throughout the city	\$26	2019
Sumas	Sumas Avenue Reconstruction	From E. Front Street (SR 547) to Garfield Street	Reconstruct Sumas Avenue from SR 547 (Front Street) to Garfield Street	\$2,781	2024
Sumas	Barbo Road	Barbo Road	Reconstruct to meet Heavy Haul Road Standards	\$931	2024

Agency	Label	Location	Description	Cost Estimate	Year
Sumas	SR 9 (Cherry Street) bridge replacement	SR 9 bridge crossing Johnson Creek	Replace SR 9 (Cherry Street) bridge that crosses Johnson Creek	\$3,724	2025
U.S. Customs and Border Protection	Additional Primary Inspection Booths at Pacific Highway Port of Entry (POE)	POE at State Route 543, Blaine, WA	Add four primary inspection booths to existing six with corresponding canopy, road, and lane modifications.	\$8,000	2023
U.S. Customs and Border Protection	Redevelopment of Sumas, WA, Port of Entry	POE at State Route 9, Sumas, WA	Rebuild this 30 year old facility.	\$30,000	2026
U.S. Customs and Border Protection	Redevelopment of Lynden, WA Port of Entry	POE at State Route 539, Lynden, WA	Rebuild this 33 year old facility.	\$20,000	2027
WCOG	MPO & RTPD Work Program	Whatcom planning area	Metropolitan Planning Organization (federal) and Regional Transportation Planning Organization (state) planning and programming responsibilities.	\$710	Annual
WCOG	IMTC Program - Regional Cross-border Planning & Coordination	Cross-border region	Administration of and participation in coordination of regional, cross-border planning, programming, and operations.	\$240	Annual
WCOG	Mobility Programs	Whatcom County	Administration of programs to improve regional mobility through transportation demand management (commute trip reduction), incentive programs (Smart Trips), and travel training, and related interagency partnerships.	\$410	Annual
WCOG	Cascade Gateway Border Data Warehouse 3.0	Cross-border region	Update to the existing border traffic data archive system to address data storage efficiencies, modernize the user interface, and integrate new data sources.	\$300	2020
WCOG	Regional Household Travel Survey	Whatcom County	10-year refresh of household travel data.	\$300	2028, 2038
Whatcom County	ADA Barrier Removal and Pedestrian Improvements	Countywide	Systematically remove and replace barriers with ADA compliant pedestrian facilities	\$3,000	2019-2027
Whatcom County	Various Bridges Rehabilitation/Replacement	Whatcom County	As prioritized	\$20,000	2020-2040
Whatcom County	Lummi Island Breakwater Replacement	Lummi Island	Replace existing timber pile dolphins and breakwater with steel pile supported structures	\$2,000	2020
Whatcom County	East Smith Road/Hannegan Road	East Smith Road/Hannegan Road	Install 2 lane roundabout with multi-modal and safety enhancements	\$4,000	2021
Whatcom County	Marine Drive	Locust Ave to Alderwood Ave	Reconstruct to Urban Minor Arterial standards with non-motorized facilities	\$3,500	2021
Whatcom County	Birch Bay Drive & Pedestrian Facility	Birch Bay Drive (Lora Ln to Cedar Ave)	Construct a soft shore beach berm for roadway protection with a pedestrian pathway and drainage upgrades.	\$11,450	2022
Whatcom County	Birch Bay Drive	Jackson Road to Shintaffer Road	Resurfacing, restoration & rehabilitation improvements with multi-modal enhancements	\$3,000	2023
Whatcom County	North Lake Samish Road Bridge No. 107	North Lake Samish Road Bridge No. 107	Replacement with multi-modal enhancements	\$9,000	2024
